This year my sister and I decided to join the 4-H Goat Club
Called "Just Kidding Around"

Our first meeting was Thursday July 24th....We will be having our meetings every second Thursday.

Our leader is Kim Overholt....and we have 7 members.

We will be learning about Housing and Management.

We are hoping to have a couple of farm tours. There are 2 farmers in the Earlton area that are milking
about 200 goats. Kim thought that would be interesting for us to see and it deals with Housing and

Management....She was also hoping to get us a tour of the cheese factory that should be fun.

Our clubs are also talking about buying some T-shirts so we will be trying to raise some money, so in the
next weeks we might be doing a bottle drive.

Well thats all the news I have untill next week.
